Due November 15, 2011  
Evergreen Dance  
Quick Quilts 2011

For more info contact Elaine Ericksen 895-1851 or  
Nikki Knowles 219-764-0199

You will need two contrasting Christmas fabrics you want the tree to be the focus, one 10 1/2 inch square for the background, one piece of fabric 9 1/2" x 9 1/2" Follow the manufacturers' instructions on the fusible web or you can hand appliqué .Trace the tree on the paper side of your fusible webbing. Cut out the inner part of the webbing about 3/8" inside the traced line. (The window method) Fuse tree on tree fabric and cut out. Fold the background fabric in half and quarters and press. Place the tree on top of the fabric in the center and iron on. Finish the block with any decorative stitch around the edge and embellish if desired!!!
