

OHIO STAR

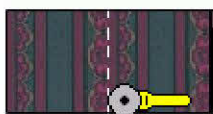

Another Oldie, to add to your star collection!

It's a 12" block!

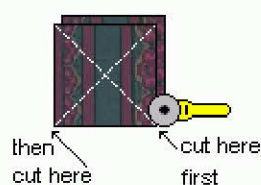

Please abide by the [Terms and Conditions of use!](#) :o)

** Preparing the Pieces and Sewing the Block **

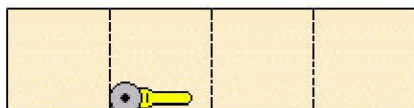

Starting with Color 1, and using your trusty rotary cutter, cut the 5-1/4" x 10-1/2" strip into two 5-1/4" squares...

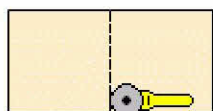

Cut these in half on the diagonal, being careful not to stretch your fabrics, and then cut those resultant triangles again on the diagonal. This will give you eight quarter square triangles...

From Color 2, cut one 4-1/2" square to be your center square.

Next, cut the Color 3 4-1/2" strip into four 4-1/2" squares, to be the blocks four corners...

Then cut the Color 3 5-1/4" x 10-1/2" strip into two 5-1/4" squares...on to [Page 2!](#)

Ohio Star - Page 2

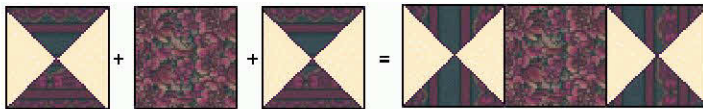

Cut on the diagonal as you did with Color 1, and then cut the triangles you get on the diagonal again, as shown...now...

To make the quarter squares, use a scant 1/4" seam to join together a Color 1 and Color 3 triangle. Press seam to the darker side. Do this with all of them to give you eight half- units. Sew the half units together to give you four quarter squares... Scant 1/4" seams are used throughout the block making...

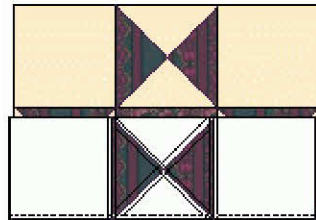

Then make two rows in this fashion; sew a 4-1/2" corner square to either side of a quarter square for rows 1 and 3 of the block...

For row two, sew a quarter square to opposing sides of the 4-1/2" Color 2 square...

To join rows, place row two atop row one, right sides together. Stitch in a scant 1/4 " seam. Press seam towards row one...

Lastly, add row three to the bottom of rows one and two.....and That's all there is to it!!...on to [Page 3!](#)
