

Quilt/Picture Tiles Order Form

The tiles come in a choice of two styles—with a wooden form to complete the trivet or as an individual tile. Plastic feet are available for the individual tiles to use as a trivet. The tiles will be created from photos. Take a good quality, clear photo with picture clarity at or above 200dpi. The shape of your tile (6 x 6 or 6 x 8) will be determined by the shape of the item in your photo. If the item is square, you will get a square tile; rectangular will produce a rectangle. The company can enhance the photos up to a point, but if the picture is blurry, the tile will be blurry. Please make checks payable to: **Heritage South Suburban Quilters Guild**. There is no shipping or tax on your purchases. Providing materials are available, all orders will be delivered to the September guild meeting or other arrangements can be made during the summer when the tiles are delivered to Debbie Brandenburg.

Price List

Individual tiles w/feet                \$11.95 each or 3 for \$30.00

Trivets                                        \$22.00 each
