4- Sew the units from step 3 into a block. Press.

5- Make the bias strips following the instructions below or make appliques using your favorite technique.

6- Applique a pink ribbon in each corner of the block. **Be sure there is approx. 1/2" from the top of the ribbon and the corner of the block.**

## BIAS BAR INSTRUCTIONS

RIBBON  
ACTUAL  
SIZE

A- Fold bias in half lengthwise, **wrong sides** together. Sew using 1/8" seam allowance.

B- Insert a 1/4" bias bar and press. Roll the bias strip so the seam allowance is on one flat side of the bar. Press. Cut each strip into two 12" lengths.

C- Place one bias strip on top of the ribbon shape shown here. Pin or tack with a dab of water soluble glue at the crossing point.

D- Applique to corner of block. Be sure to turn the raw edges at each ribbon's end under or use a stiletto and turn inside of the bias strip. Repeat for remaining three ribbons.

**This block works well set with solid alternate blocks or separated by sashing.**
