The first thing that I would recommend that you do, is go to the [Practice Paper Piecing Page](#). When you feel comfy with paper piecing, come on back and try a That Thirties Thing block! You will need to print out four copies of the template page per block you want to make on very lightweight paper. Scraps or Fat Quarters will be plenty :o)

After all four units are paper pieced, join them as shown at left to finish the block!
