

From 1930's Fabric

Cut (2) 5-7/8" squares then cut in half diagonally

Cut (10) 3-3/8" squares then cut in half diagonally

From White or tone-on-tone white

Cut (2) 5-7/8" squares then cut in half diagonally

Cut (10) 3-3/8" squares then cut in half diagonally

Sew 1 1930's fabric and 1 white small triangle together, each makes a 3" square (make 12 half-square triangles) Press towards 30's fabric.

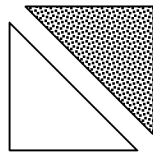

Figure 1

Layout 3 triangle-squares, 2 small 1930's and 2 white triangles, sew in a vertical row joining the pieces as shown in figure 2. Then sew the pieced sets in a horizontal row.

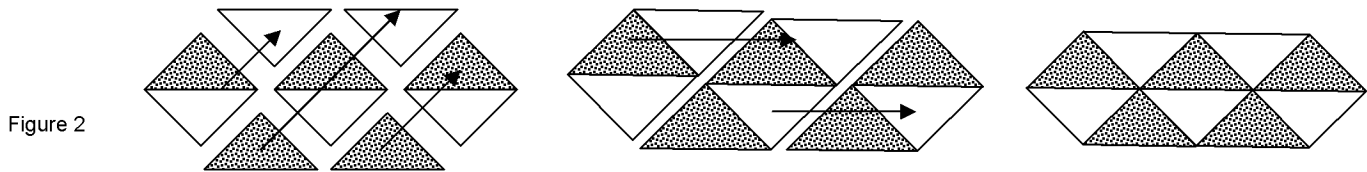

Figure 2

Sew 1 1930's fabric large triangle to one edge of corn & bean unit (above) and a white to opposite edge. Match the large dark triangle to the small white triangles and the large white triangle to the small dark triangles. (See figure 3) Press to large triangles. Piece should measure 8 inches square.

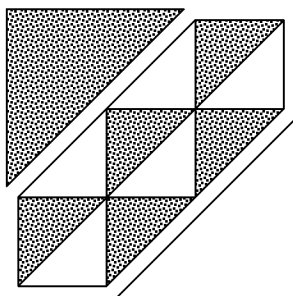

Figure 3

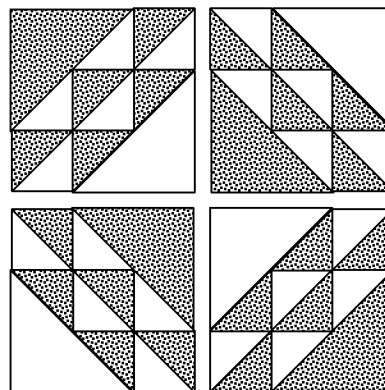

Figure 4

Make 3 more units.
Layout as in figure 4

Sew corn & bean units in pairs, press seams in opposite directions. Join pairs to make a corn & bean block. Finished block should measure 15-1/2" square.
